Father Gustavo Garcia was born on September 21, 1976 in Bogotá. After participating in prayer groups, he had entered the Congregation of Jesus and Mary on April 16, 2005. He studied philosophy at the 'University' Minuto de Dios " and theology at the Pontificia Universidad Javeriana. He was ordained a priest on March 31, 2007. Even the President of the Republic of Colombia, Juan Manuel Santos, during the ceremony of inauguration of a part of the port of Buenaventura, recalled this tragic event: "A murder has been committed that has deeply affected all of us Colombians: the killing of the Chaplain of the University Minuto de Dios (Father Gustavo Garcia Bohorquez), which occurred in Bogota. Apparently he was killed for a cell phone. I of course condemn this murder. Father (Diego) Jaramillo, who is the director of El Minuto de Dios, this morning, in an act of spiritual nobility, said that he has forgiven the murderers. I admire the noble spirit and I know that it belongs to the divine law, but I am subject to the Colombian law and the law of the land. So I want to announce that these murderers must feel the full weight of the law. I have already told the police to offer a reward and to look into the matter so as to bring the Chaplain's murderer or murderers to trial. "

After the funeral, in the parish of San Juan Eudes in Bogota, the priest's body will be buried at the cemetery of eudista in Valmara. (EC) (Agenzia Fides 05/14/2011)
