

EUROPE/SPAIN - The first radio station online dedicated exclusively to children

Seville (Agenzia Fides) - "Babyradio ", the first radio station online designed exclusively for children was born. The objective is to accompany young children 24-hours a day, through a programming which is unique in the world, composed of a series of entertaining educational contents. Through songs, stories and melodies the three Andalusian professionals who have promoted this project want to "help create a routine in the daily habits" of children between 0 and 6 years of age. In less than 5 months, Babyradio has reached over 390 thousand listeners, divided into more than 200 cities in Spain, and other 100 countries of the world, from Kazajstán to Iceland.
