

EUROPE/ITALY - Doctors with Africa Cuamm welcome Pope Francis' appeal for peace

Padua (Agenzia Fides) - From health care operators, who dedicate themselves to the care of life and health every day, the volunteers of Doctors with Africa Cuamm in Italy and in Africa welcome Pope Francis' special invitation to participate in the great day of fasting proclaimed for tomorrow September 7, 2013, in favor of peace. In a statement sent to Fides Agency, Cuamm says: "We want a world of peace, we want to be men and women of peace, we want our society, torn apart by divisions and conflicts, to have peace: never again war! No more war". (AP) (Agenzia Fides 06/09/2013)
