

EUROPE/SPAIN - The Year of Faith: Catechesis of the Bishop of Palencia for the internet

Palencia (Agenzia Fides) – There are more than 500 people who follow the catechesis of the Bishop of Palencia (Spain), His Exc. Mgr. Esteban Escudero, through the internet. The Bishop in fact collaborates with the program "Digital Evangelization" and every Tuesday offers a lesson, by connecting to his computer, with people from all over the world. This week he starts the series of lectures on the Compendium of the Catechism of the Catholic Church, which has the theme he chose for the Year of Faith. Mgr. Escudero has already held 45 lectures on the subject and this evening (at 10 p.m., Spanish time), he begins the last group of 54 lessons proposed by the program. To participate you must register (see link). (CE) (Agenzia Fides 24/09/2013)
