

ASIA/SOUTH KOREA - The site of the Pope's trip to Korea is online

Seoul (Agenzia Fides) – The official site of Pope Francis' visit in South Korea, on the occasion of the 6th World Youth Day in Asia, is online. The Holy Father will make the third international pilgrimage of his pontificate from August 14 to 18, and for this occasion a website has been prepared which can be visited in two languages: English and Korean. The site's pages contain information about the visit, the events, the organization, the prayers and liturgical celebrations. (CE) (Agenzia Fides 14/07/2014)
